MEET THE LATEST ADDITION THE ULTRA-TEC PHOSPHOR BRONZE LINE - 1/8" DIAMETER, 1X19

Introducing Finishing Touches That Will Make Your Work Shine

PHOSPHOR BRONZE CABLE

A strong finishing statement to your project.

The Phosphor Bronze Cable is a contemporary color alternative to Ultra-tec's cable offerings.

- Designed as 1/8" diameter cable.
- Corrosion Resistant
- 1X19 strand cable engineered to hold static loads without stretching and is relatively stiff.

PHOSPHOR BRONZE FITTINGS
